

**SAE MANITOBA** invites you to a technical presentation:

# Carlson's Water Jet Robotic Trimming

**Where:** Training room, Carlson Engineered Composites, 692 Mission Street

**When:** Starting at 6:00 PM on Wednesday, May 5, 2010

- 6:00 PM – Registration and Light Supper
- 6:45 PM – Introduction of Speaker and Presentation
- 7:30 PM – Plant Tour
- 8:30 PM – Meeting is adjourned

**Cost:** SAE Members - \$5.00, Students - \$4.00, Guests - \$8.00  
(includes light supper)

## ***Our Speaker***

Rob Haller, born and raised in Winnipeg, received his Bachelors of Science in Mechanical Engineering in 1993. Rob started at New Flyer's Manufacturing Engineering department in 1994, and later became the Corrosion Engineer, and a leader in the alternate fuel programs. Rob moved to Carlson in 2002, again as a Manufacturing Engineer, and later developed the company's Light Resin Transfer Moulding capability. In 2007, Rob took his current responsibility as Engineering Manager at Carlson.

## ***The Presentation***

Rob and his group will provide a presentation that will focus on closed moulding, followed by a plant tour, and a short demo on water jet robotic trimming.

## ***Parking***

See Page 2 of this notice for a map of the area, or visit the website (address at the footer of this page). Parking is available on the site property.

## ***Registration***

Requested in advance, before May 3, to:  
Bob Mai - [registration@saemanitoba.org](mailto:registration@saemanitoba.org) or  
Tel: (204) 224-1251 x297 or  
Fax: (204) 222-8546 (fill out and fax this sheet)  
Space is limited.
