

SAE MANITOBA invites you to a technical presentation

Black Cat Blades

Where: Black Cat Blades, 71 Railway Street, Selkirk, MB (see map on Page 2)

When: Starting at 6:00 PM on Wednesday, November 30, 2011

6:00 PM – Registration and Light Supper

6:30 PM – Introduction of Speaker and Presentation

7:30 PM – Tour of facilities

8:30 PM – Meeting is adjourned

Cost: SAE Members - \$5.00, Students - \$4.00, Guests - \$8.00
(includes light supper)

...Our Speakers...

Chris Klymochko CET is a Process Innovation Technologist with 3.5 years of service at Black Cat Blades. Chris will outline some of the equipment/technology used in the manufacturing process and some of the improvements made.

Doug Willsey MET is a Quality Technologist with 1 year of service at Black Cat Blades. Doug will outline product mix, process controls, and system analysis used at Black Cat Blades.

...The Presentation...

A brief history and overview of the company and a summary of the products will be presented. Additionally, an overview of their manufacturing processes, including Induction Heat Treating, Carbide Impregnated Hard Face Welding, and an introduction to their equipment and automation will also be presented. Please bring safety boots and glasses with you if you have them for the tour. Some will be provided if you do not have any.

...Parking...

Scramble in visitor parking in front of the office trailers (only holds a few cars), or anywhere along the fences or in front of the plant is available.

...Registration...

Requested in advance, before November 28, to:

Bob Mai - registration@saemanitoba.org

Tel: (204) 453-3339 x353

Fax: (204) 452-7156 (fill out and fax this sheet)

Space is limited to 15 people.
